

Help us get a handcolored scripture on every refrigerator in the world. Visit www.homeword.ws.

**OUR SITE IS DEDICATED TO GETTING GOD'S WORD WHERE
IT BELONGS...ON DISPLAY...IN THE HOME.**

Our pages have always been free and always will be.

HOWEVER We do ask (on your honor) that you take a copy of this prayer request form to your churches prayer chain.

- I. For over a year now we average visits from over 400 churches a day. We very much NEED at least 20 churches or individuals each pledging \$15 a month just to meet operating expenses. We are not sure where every penny of this money goes but it is our monthly average over the last two years and I can no longer bear the burden myself. So far just three churches have committed to helping us and two of those are local. Could you pray for 17 more???????
- II. Could you pray for my mother Dorothy. In addition to problems with her blood pressure medication an old surgery to her leg and ankle are causing her a lot of back pain. Could you pray for a miracle for her leg and back and comfort in the loss of my father???
- III. Back to the Bible has translated our coloring pages into 6 foreign languages, Tamil, Bengali etc. etc. I never seem to have TIME to do this. We have a matching funds gift and can get someone to reprogram every page on our site for only \$300 per language. Could you pray for sponsors especially for the two languages mentioned.

My dream since starting this work is that God would send someone to take over... someone who believes as I do that God's word belongs ON DISPLAY in the home and that no one should have to pay. I have not found that person and even if I did would need a grant to pay him/her. COULD YOU PRAY FOR THE PERSON AND THE GRANT ?

In His Service and Yours

PS. Theodore Spurgeon once wrote that the best way to see others saved is to let God save you utterly and completely. Could you pray this for me (heartfelt and sincere)...I feel so very inadequate to this dream of mine.
