

# **Project Homeword...getting God's word in the home ON DISPLAY.**

## **Parent Guide for "Love" Coloring Pages**

**Dear Parent/Grandparent:** The Bible is ALL about love. God is ALL about love. Life is all about love. Love is the fulfillment of the Law. Love is the fruit of the spirit. Love never fails. It is very very true that good parents tell their children what not to do. GREAT PARENTS however help them find something TO DO...something loving.

For the next few weeks we will be sending home a coloring page focusing on scriptures that are a special help to the children of divorce. **We hope you will color them with your child and put them on display in your home.**

The great thing about being filled with love is that there is no room for anything else. Correcting a child actually empties him of the bad idea. To be truly effective **we have to fill them back up and encourage them.** This is what love is all about. It is the one great secret of Christ and good parenting. For the full set of 30 coloring pages see your Sunday School teacher or visit [www.homewordnow.com](http://www.homewordnow.com). How we pray that as you color this set of coloring pages with your children and God himself keeps you all safe and FILLED with love.

In His Service and yours;
