## **Parent Guide for "Salvation" Coloring Set**

**Dear Parent/Grandparent:** We could not find just the right prayer to go with our salvation coloring pages so we wrote our own. We hope you like it. We hope you use it. NOTHING is more important to the health and well being of your child(ren). The prayer can be a real help in guiding a child to pray for salvation as well as a daily prayer for the month immediately following the salvation experience.

**Dear Jesus;  
Every day in every way  
I want to be more like you.  
Please come live in my heart.  
Forgive me my sins.  
Teach me right from wrong.  
And help me feel your love  
Every time I pray.  
Amen**

**AUTHORS CAUTION:** Our group believes that the two major mistakes made by parents and church workers seeking to guide a child to salvation are too much timidity and too much boldness. We cannot be lazy and let children and opportunities slip past us NOR can we be too zealous, too eager and get ahead of God pushing a child into something for which his soul is not prepared. God has his proper time for salvation and is busy always in preparing a child's heart. Lagging behind the Holy Spirit is a truly sad thing. Equally sad is getting ahead of the Holy Spirit and forcing a false or empty prayer. As with ALL things of God we must learn to keep in step with the Holy Spirit, neither ahead nor behind.

We hope you like our prayer. We hope you like our coloring pages. We pray that God's Holy Spirit helps you make the BEST possible use of both, being patient when patience is called for, being bold when God opens the door. We welcome your visits at [www.homewordnow.com](http://www.homewordnow.com)
