Project Home-Word 2007

Take this request to your churches Prayer Chain???

FOR OUR DREAM ...The TWO most important things to pass from generation to generation are first: GOD IS, and second GOD WILL. If we have not shared these two things with our children and the children in our church we have failed as Christians. This is the subject of our newest 2 sets of coloring pages which we hope to make into a book and distribute nationwide. I/We will be working on them for the next two months and hope you might pray for the TIME, and God's guidance.

Personal Prayer Request:

My Aunt Olive Weisheim has been struggling with BOTH a staph infection and Yeast infection in her lungs. When one begins to clear the other gets worse. The yeast seems to be gone now but the staph infection is not responding to treatment. Could your church's prayer chain add complete healing for her lungs...freedom from both problems?

Could you pray as you color a page WITH your children that God make each verse real to you...to the child...and as a favor pray that he make it real to me as well. Some days are harder than others and your prayers are a blessing. For the past two weeks I have been struggling with nausea. It could be stress or it could be something more serious.
