"He saved us through the washing of rebirth and renewal by the Holy Spirit,"

Project Home-Word 2007

Take this request to your churches Prayer Chain???

FOR OUR DREAM ...The TWO most important things to pass from generation to generation are first: GOD IS, and second GOD WILL. If we have not shared these two things with our children and the children in our church we have failed as Christians. This is the subject of our newest 2 sets of coloring pages which we hope to make into a book and distribute nationwide. I/We will be working on them for the next two months and hope you might pray for the TIME, and God's guidance.

Personal Prayer Request:

Could you pray as you color a page WITH your children that God make each verse real to you...to the child...and as a favor pray that he make it real to me as well. Some days are harder than others and your prayers are a blessing.

In His Service and Yours:
